

JOHN ROBERT BACCILE

Photo graphy

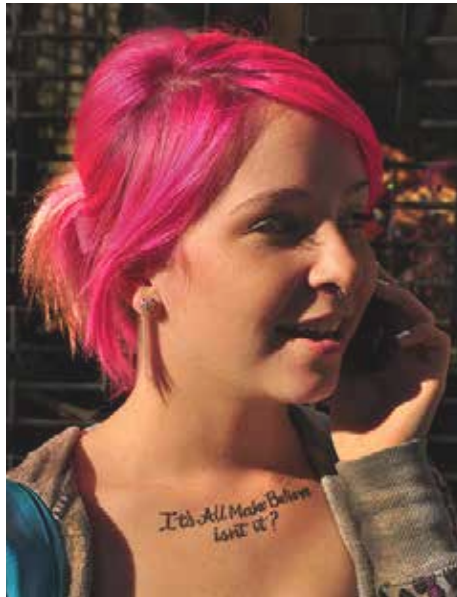

John Baccile is a graduate of the University of the Arts in Philadelphia (2011) with a BFA in Graphic Design.

Originally self-taught in Photoshop and basic layout design techniques, John is an active member of the Philadelphia Photographic Society, and his résumé now includes layout design and editing for fellow Society member Ed Snyder's *Digital Photography for the Impatient*.

**Portraiture
Restoration
Collage
Still Life
Enhancement**

*Memories captured in various lighting conditions,
either posed or spontaneously*

*Fading antique or damaged photos brought back to life...
Also, be sure to ask about professional typesetting!*

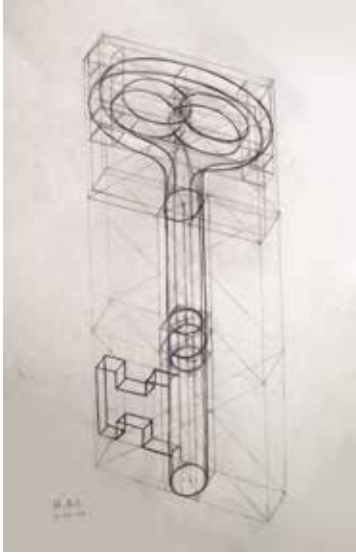

John Bush
Collage

Turning your old snapshots into an enlargement-worthy, dynamic collage, or taking headshots to the next level

*Documenting your work, art, or merchandise,
for your promotional, archival, or insurance needs*

John Burt
Enhancement

Photographs enhanced to better resemble natural vision
